Entry-level IT Support Technician with CompTIA A+, Network+, and Security+ certifications and experience supporting 100+ Windows endpoints. Skilled in Active Directory, networking, and hybrid infrastructure.

TECHNICAL SKILLS

- Systems Administration: Windows, Linux, macOS, Active Directory, Entra ID, Group Policy
- Networking & Security: TCP/IP, VLANs, DNS, DHCP, VPN, RBAC, Firewalls, Endpoint Security
- Cloud & Virtualization: AWS, Azure, Proxmox, VMware
- Storage: NAS, RAID, Backup and Recovery
- Tools & Platforms: Anydesk, TeamViewer, Bash, Python, Powershell, GitHub, Docker

PROFESSIONAL EXPERIENCE

Desktop Support Technician

Shining KT Co., Ltd – Yangon, Myanmar | Jan 2023 – Feb 2024

- Supported 100+ Windows 10/11 endpoints, troubleshooting hardware, software, and network issues.
- Provided Tier 1/2 IT support across OS, networking, and user access environments.
- Managed multi-terabyte RAID NAS storage for centralized file storage and backups.

IT Consultant / Co-Founder

Maple Tech IT Studio (Freelance) – Toronto, ON | Aug 2024 – Present

- Deployed secure remote access using Twingate for secure connectivity to internal infrastructure.
- Implemented a self-hosted ticketing system to streamline customer IT support workflows.
- Resolved cross-platform hardware, software, and network issues for small business clients.

TECHNICAL PROJECTS

Hybrid Enterprise Infrastructure Lab

Proxmox • Active Directory • Entra ID • pfSense • TrueNAS

- Designed a hybrid enterprise lab simulating a 25-user organization, virtualizing infrastructure on Proxmox with Windows Server AD, DNS, and DHCP.
- Integrated on-prem Active Directory with Microsoft Entra ID via Azure AD Connect, enforcing RBAC, Conditional Access, and MFA.
- Built secure network architecture using pfSense firewall and TrueNAS ZFS storage, enabling centralized authentication, SMB shares, and snapshot backups.

CERTIFICATES

- CompTIA **A+ | Network+ | Security+**
- AWS **Solutions Architect – Associate**
- Microsoft **Azure Administrator Associate**
- Microsoft Office **MOS 2019 & 365**

EDUCATION

Seneca Polytechnic – Toronto, ON

Diploma, Computer Systems Technician (Honours)

Graduated Aug 2025
